THE
Wyatt Earp
HOUSE & GALLERY

Located in Tombstone, Arizona, The Wyatt Earp House and Gallery brings together the history of the old west with western and southwestern art. Owners Jim and Liz Allen wanted the house to be accessible to the public without having to charge an admission fee; they achieved this by incorporating a fine art gallery into the historic house. Now for the first time since the house was built, you can stand in the footsteps of historical figures like Wyatt Earp and Doc Holiday!

The gallery is open
10:00 am to 4:00 pm daily.
